

Hello residents of Pemberton Township,

I would like to thank everyone for participating in the clean ups last year. Our town looks better for your efforts

Unfortunately, there is a lot more work to be done. I would like to ask people to volunteer to join the committee to help organize and promote the clean ups. There are a lot of tools in my tool belt that I would like to implement but I can't implement them by myself.

There are no commitments as to the amount of time you would have to devote to the committee. It's up to you as to how much you would like to be involved in it. Please call me at 609-893-6550 to volunteer for the Pemberton Twp. Clean Communities Committee.

My desire is to live in a community that is clean. How about you? It can be done if we work together.
