RE: HOME SALES

To Whom It May Concern:

At the present time, Pemberton Township does not require a mandatory inspection of residential properties, or a Certificate of Occupancy for purposes of resale or transfer of title of residential properties.

However, if a new owner has purchased a residential property as an investment and will be renting said property, the property must be registered with the Code Enforcement Office.

The State of New Jersey does require a Smoke Detector Inspection. That can be scheduled with the Division of Fire Safety in Trenton at 609-633-6132.

If you have any questions, please contact the office.

Sincerely,

PEMBERTON TOWNSHIP INSPECTIONS OFFICE
