

## Are You Register Ready?

---

The New Jersey Office of Emergency Management offers a free, confidential registry designed to help emergency responders locate and safely evacuate those with special needs in the event of a major disaster. If you, or someone you know, finds it difficult to get to safety during an emergency because of a physical or cognitive limitation, language barrier or lack of transportation, visit [www.registerready.nj.gov](http://www.registerready.nj.gov) and register today!
